WELCOME TO THE HAMPTON AREA CHAMBER OF COMMERCE'S

2022 edition of the *Hampton Area Visitor's Guide*

We are thrilled to share the natural beauty of Hampton Beach and the local seacoast area with you! Hampton Beach has won many awards. The beach is the third cleanest beach in the United States and rated in the *Top 10 Values for Resorts in America*. This has made the New Hampshire Seacoast a most desirable vacation destination.

This guide contains everything you need to know about one of the best beaches in the country. Within this guide you will find free activities, events, activities, amenities, and dining information. This information is also made available on the websites listed below. Hampton Beach is one of the most beautiful state parks in New Hampshire. We are blessed to be in an area that values a strong sense of community and commitment to both the residents and visitors. It is an honor to work alongside Town Officials, Hampton Beach Village District leaders, business owners, volunteers, and residents. Together we successfully put on the free nightly concerts, weekly and holiday fireworks, the Sand Sculpting Competition, the Children's Festival, the Beach & Brew Fest, free outdoor Monday night movies, the Hampton Beach Seafood Festival, and many other activities. Our goal is to provide opportunities for everyone to get involved and connected here on the New Hampshire seacoast. There are activities offered for people of all ages and interests. From ice cream to fried dough, fast food to fine cuisine, arcades to the golf course — Hampton Beach has something to offer for everyone. We also have a variety of seacoast hotels, motels, Bed & Breakfasts, and rental beach cottages to choose from, so stay as long as you want.

When you arrive, please visit the Hampton Area Chamber of Commerce Information Center. We are pleased to assist you in any way to make your stay in the Hampton area a pleasant and fun one. It is our goal as a community to provide a safe and fun venue for all our visitors.

Also visit www.hamptonchamber.com and the Official Hampton Village District site www.hamptonbeach.org for more information.

LETTER

from the Hampton Beach Village District Commissioners

Welcome to another summer of free entertainment! The residents and businesses of the Hampton Beach Village District are proud to sponsor another summer of free events. In June we will be celebrating the 21st year of the Annual Sand Sculpture Classic. We will also continue to provide all of the bands on the Seashell Stage and weekly fireworks (TBD). On Monday nights we will again be sponsoring the free movies on the beach with additional sponsorship by the Boardwalk Café and JB's. In July we will be featuring the Miss Hampton Beach Competitions. We are the major sponsor of the Children's Festival in August, and we will again be bringing the Hampton Talent Competition to Hampton Beach.

We would like to thank the Hampton Area Chamber of Commerce for their assistance and the New Hampshire State Parks for providing a venue for us to present our events. Most of all, we would like to thank the taxpayers of the Hampton Beach Village District for helping to finance all of the free summer events.

VACATIONS to Remember

The New Hampshire Seacoast sits at the crossroads of New England.

Between sea and mountains, Boston and Portland, it is at the heart of a unique region filled with amusements, history, and scenery. In short, New Hampshire's seacoast offers the best vacation values and countless opportunities you will find anywhere, for any budget, bar none. Not convinced?

Consider what you'll find: Tax-Free Shopping

You read that right. There is no sales tax in New Hampshire. This means so much more for your money, and all along the seacoast there are stores galore, filled with fashions, jewelry, and unique gift items that are locally made.

Great Dining

Do you want surf, or turf? Or perhaps both? Whether you want take out service, fast food, or an elegant dining experience we have a place for you. The seafood is freshly caught every day, and prepared by the finest chefs in the region. The variety of choices is hard to beat, from Italian to Chinese, pizza to chowder, ice cream to fried dough, and some specialties that are only available here for you to discover. The eating here is fine to dine!

Superior Lodging

With two centuries of experience catering to the needs of summer visitors, your hosts at the seacoast have generations of experience catering to what every guest wants. Of course, you will find all the modern amenities available anywhere you stay, whether it is a hotel, a motel, or cottage. The real question is, do you want a luxurious seaside view, someplace quiet, or an outdoor camping experience? All these options and more are available in the Hampton area.

There are great camping opportunities on the Seacoast! On the one hand, there are plenty of trails, harbors and rivers to explore in the great out of doors. On the other, you are a short stop from the amusements, entertainment and food at Hampton Beach. The best of both worlds is waiting for you along our scenic seacoast.

There is only one RV Park located directly on New Hampshire’s scenic seacoast, and it’s right at Hampton Beach. Located in the “*South Beach*” section, this idyllic state reservation is tucked into a corner of sand dunes between the Atlantic Ocean and the mouth of Hampton Harbor, right where Route 1A crosses over to Seabrook—a great place to camp, swim, fish, or watch the boats.

HAMPTON BEACH CHILDRENS FESTIVAL

Monday-Friday, August 15-19

Hampton Beach has always welcomed families of all ages, but for one special week, the kids come first!

The Annual Hampton Beach Children's Festival is the fun, family event of every summer. Kicking off on Monday, August 16th with non-stop activities and entertainment all week long, events include mini-golf, a magic act, drumming, face painting, talent show, free ice cream, dancing, story tellers, balloons, and so much more. Plus, prizes!

The week builds up to the grand finale, a Giant Costume Parade, which marches almost the entire length of Hampton Beach on Friday, August 20th. Every child gets a prize just for being in it!

Best of all, all Children's Festival is free and open to the public.

For more information visit www.hamptonchamber.com.

Two lucky children will win a new bike! One for the ages 7-10 group and another for the 11-14 group! Just write an awesome winning slogan for Hampton Beach to be used as a bumper sticker for 2021. Submit your entry at the Hampton Area Chamber of Commerce Information Center at the Seashell Stage Complex.

The Playground

Can't make it to the Children's Festival?

No worries, Hampton Beach has the best free beachside playground anywhere on the south side of the Seashell Stage complex (opens in April and closes in October), this sandy fenced-in area is a great place to safely play any time between a snack and a swim!

Sand Sculpting Classic 2022

If there is one thing in all the world you must check out this summer, it must be the 22nd Annual Master Sand Sculpting Classic.

Marvel as the sand arrives and a massive group sculpture rises in the center of the beach, honoring the sponsors of this event.

The actual competition takes place June 16-18, you can see giant sand sculptures created before your very eyes from tons of sand. On the afternoon of the final day, you can go down on the sand to vote for the People's Choice.

The sculptures remain up, and illuminated for all to enjoy, day or night through June 26th. Best of all, this event is **FREE** to all, and something the entire family can enjoy during even a day trip to Hampton Beach, New Hampshire.

The mission of New Hampshire Division of Parks and Recreation is to provide all New Hampshire's citizens and guests with outstanding recreational, educational, and inspirational experiences through the responsible management and cooperative stewardship of the state's natural, recreational, and cultural resources.

Universal Access in NH State Parks and Historic Sites means providing recreation opportunities for everyone regardless of differences in ability. NH Division of Parks and Recreation welcomes all visitors to explore outdoor recreation on state lands.

Accessibility Features:

- Reserved parking spaces
- Wheelchair ramps/battery charging stations
- Beach wheelchairs
- Hardened surfaces on trails and walkways
- Accessible restrooms
- Roll-in showers
- Benches in showers and changing rooms
- Easy-to-reach campsites

Given the vast size and scope of the NH State Park system, expanding accessible opportunities at parks and historic sites is an evolving and ongoing project. As we increasingly make our facilities and programs more accessible, information will continue to be made readily available at our facilities on this website. We encourage you to visit the **"Accessibility"** sections of each park and historic site page to find the latest accessibility information for that facility. We also strongly recommend that you contact the facility in advance of your visit to understand what you can expect and how best to make your experience positive.
